Save Our Sight Sun., Nov., 7

The Antioch Lions Club in conjunction with the VISION CONSERVATION INSTITUTE will conduct S. O. S. Day (Save Our Sight), a vision testing program, on Sunday, Nov. 7th, from 10:00 A.M. to 4 P.M. at the Antioch Community High School.

The vision testing program will be free and is available to all persons, 3 years and older, in the greater Antioch area, which includes Southern Wisconsin.

The tests are painless and take only a few minutes to complete.

Special equipment for the vision tests will be provided by the Vision Conservation Institute. Mr. Fred Marvin, Executive Secretary of the Institute will brief 60 volunteer Lions on how to administer the vision tests.

Lion Earl Stringer, Chairman of the "S. O. S." program, stated that the vision screening tests will be supervised by doctors from the Lake County Optometric Society. "Only the doctors will administer the glaucoma eye Pressure test", Stringer added.

In addition to the glaucoma eye Pressure test, checks for near and far acuity, muscle balance or eye teaming, hyperopia, steropsis, near accommodation, color perception and

field of vision will be administered.

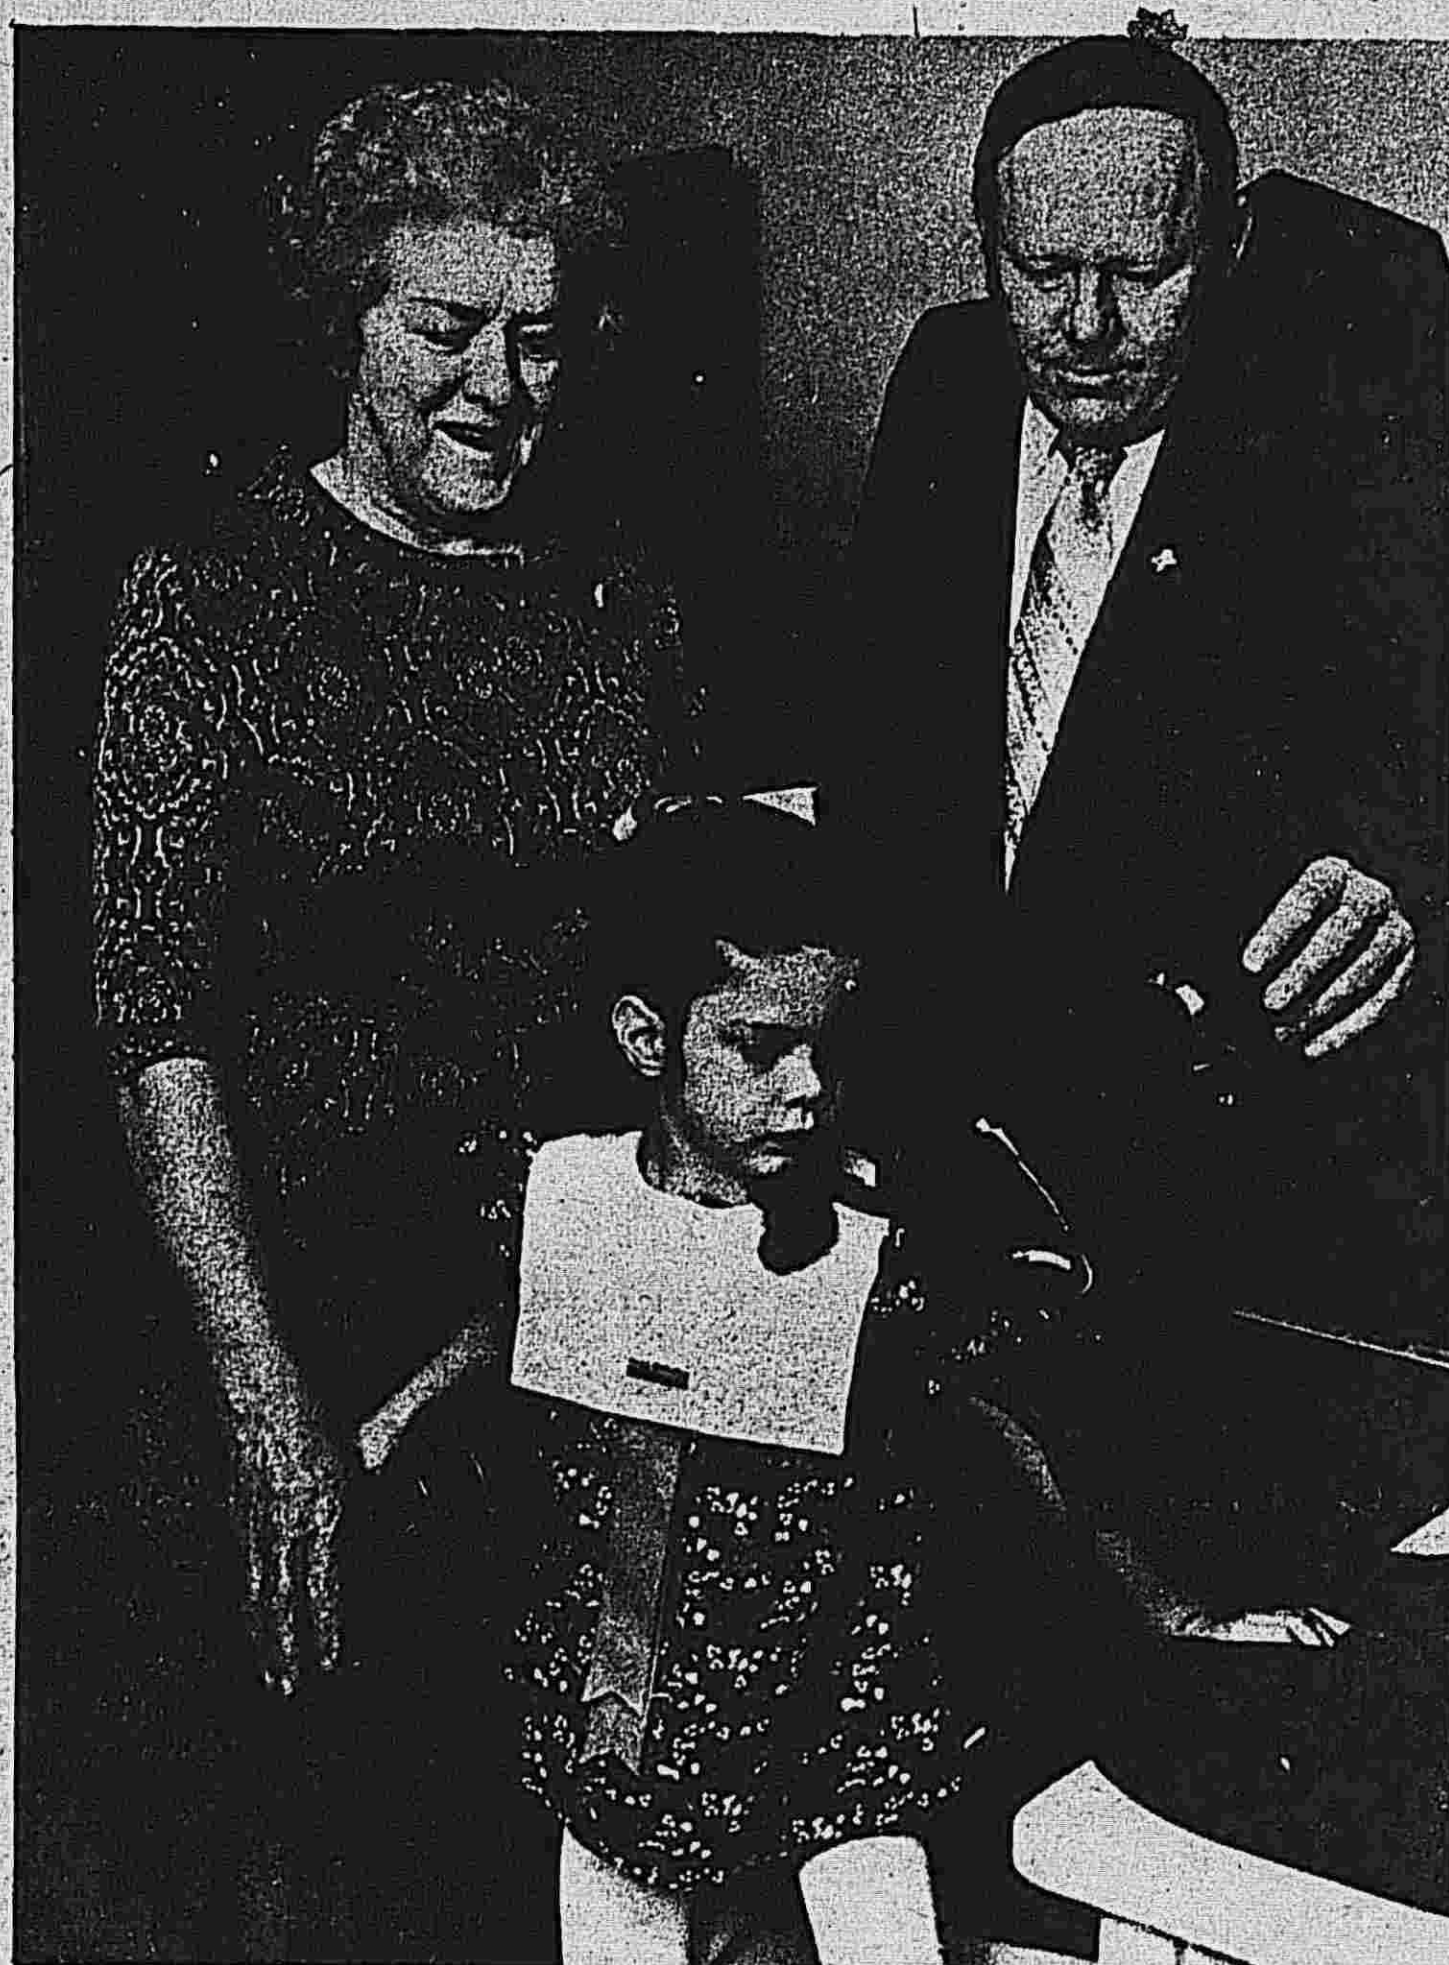

Dick Daniel, President of the Antioch Lions Club, said that he hoped for a large turnout for the "Save Our Sight" clinic. "It is our hope that two thousand or more Antioch area people will avail themselves of this free opportunity to have their vision checked."

The importance of these tests can be realized when you consider that more than 29% of school-age children and 41% of adults have undetected functional vision problems, which impair their ability to see," Marvin declared.

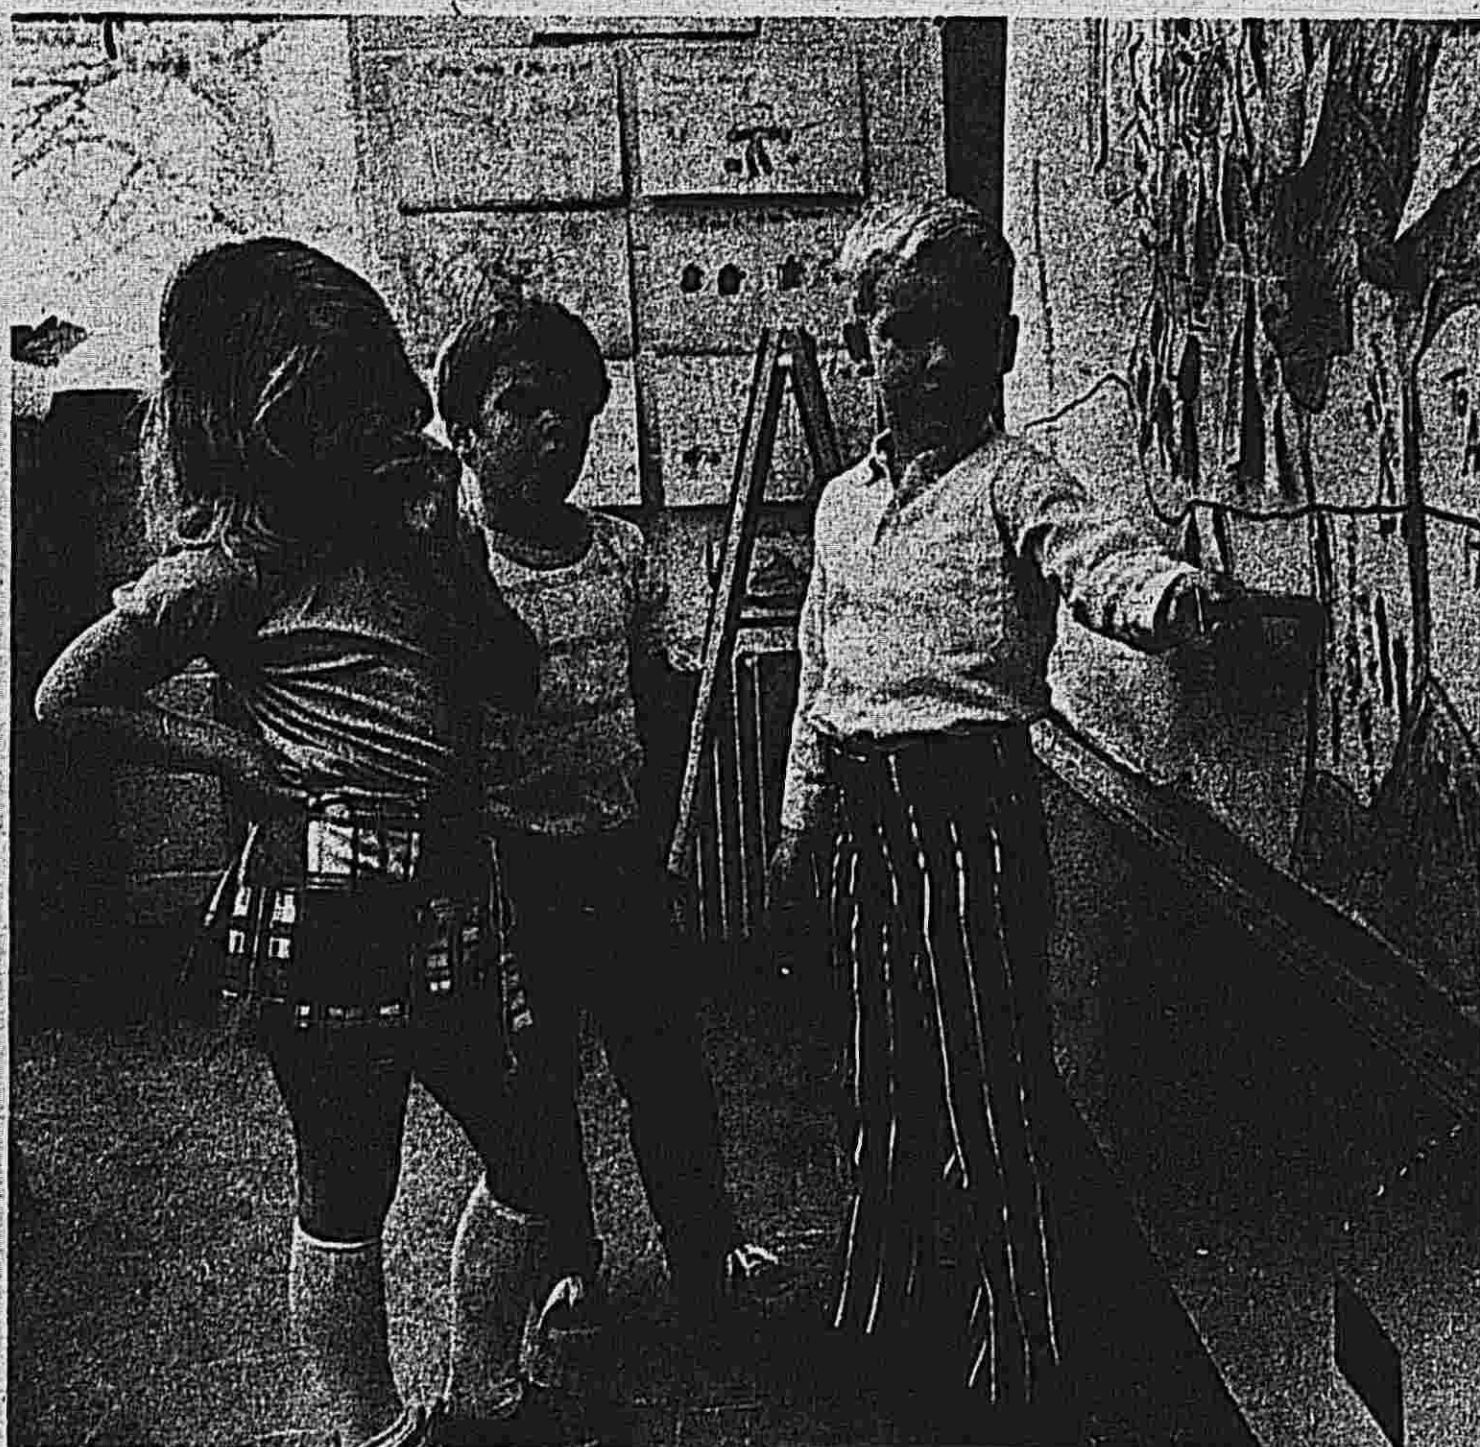

"Over 80% of learning and 90% of driving decisions depend on good vision," he added. "Fortunately, over 95% of our vision problems are functional in nature and in most cases can be corrected."

"Persons having unsatisfactory checks in the screening will be referred to an eye doctor of their choice for examination and diagnosis," Stringer said.

People should realize that "Anything less than - Their Vision at its Best - is a Needless Form of Blindness." To keep your vision "at its Best" you will want to take advantage of this opportunity for a free, complete vision check.

New Social Studies Program For Antioch Grade Schools

Early in the 1970-71 school year a committee of District 34 teachers was formed to investigate new social studies programs and recommend a program for Board of Education approval and adoption. The committee, consisting of teachers representing Kindergarten through eighth grade, spent many hours examining various available programs, getting advice from the State Department of Public Instruction, leading Social Studies workshops and visiting other schools which had recently changed social studies programs, said Mr. Henry Meyer, Superintendent of District 34.

Finally, last spring, the committee recommended and the Board of Education approved the adoption of the social studies program generally known as the "Greater Cleveland Program". It was a program produced over a number of years by the joint effort of historians, geographers, anthropologists,

sociologists, and political scientists. This approach to program development was quite different from program development of the past.

Traditionally, a publishing company employs writers to develop a program for them. This program was developed and then sold to a publisher. The resulting social studies program was as different as was the approach to its development.

The new approach, however, calls for the development of an inquisitive, inquiring attitude on the part of students. They are encouraged to wonder about things and to try to find the answers.

In the traditional approach students are told the answers, made to memorize them and regurgitate them back again in the form of traditional test. Inevitable, the student's eagerness to learn was blunted.

The memorization of facts is stressed much less in the new program than in previous ones. Instead, the emphasis is placed

CORRECTION

Last weeks NEWS article relating to the Antioch Grade Schools contained a statement which was in error. The article indicated that \$400.00 per pupil had previously been spent and that now only \$280.00 was now being spent. The statement should have read as follows: "In 1968 District No 34 received \$400.00 per pupil from local tax monies for the educational fund, while this current year only \$280.00 per pupil is anticipated from local taxes for the educational fund."

Actual expenditures per pupil have increased steadily each year. There has been some increase in State Aid but not enough to make up for the increases in costs and the losses from local revenue.

SOCIAL STUDIES PROGRAM

on the basic understanding of WHY?, HOW? and under what circumstances, things of the past took place.

The program is developed with the concept of multi-media instructional materials, instead of every child having just one textbook, there are often several books for a single grade level, along with recommended filmstrips, records, and library books relating to the central themes to be studied.

The program encourages pupil involvement, development and production of "things" in order to assist the student to discover and understand through the process of doing, rather than just talking.

None of the concepts of the new social studies program in education are actually new. They are based on the Socratic method of instruction, in which the instructor motivates and reinforces the pupil's inquisitive nature. Indeed, many of our really good teachers have been using some of these concepts in their classrooms for years.

What is new, however, is the fact that the newly adopted program now includes, defines and gives assistance in the "inquiry", "Investigative" and "doing" approach to the teaching of the social sciences. The program is a challenge to both teachers and students.

The initial introduction of the program is, so far, very encouraging.

VILLAGE BOARD MEETS

The Antioch Village Board conducted a variety of business at its November 1st meeting.

A meeting between the Board and the Village Plan Commission was called to make a decision on the proposed retention of the Lake County Regional Planning Commission for the position of Village Planner.

The board also heard and accepted the decision to widen the north side of Lake Street between Spafford Street and St. Peter's street. Cost of the project will be approximately \$26,000.

The Faith Lutheran Church located on the south end of the city, on Route 83, will be able

to begin construction on their new classroom facilities because of board action. The board waived the building permit fee. Noting that the decision was in line with previous rulings in favor of other schools.

A citizens group was present at the meeting to question board members and give their opinion on the proposed apartment complex located on the west side of town.

The group was concerned with the possible extra cost for near-by homeowners, due to the complex's need for increased water and sewage services.

Action Vs. Reaction

by John Gretz

America has, what I consider, a very unnerving, ironic and perhaps fatal tendency. You needn't look very far into the past to recall the circumstances that periodically lead one to this conclusion.

A nation indignant, shocked and stunned, passes a host of preventative measures to insure that some calamity will never again occur. And more often than not, it doesn't.

What I am Quarreling with is not the reaction to the event, but the timing.

America is fast becoming a haven for the indolent and the unaware, for those who prefer to ignore possible future problems in the classic misconception that they will just vanish.

While it cannot be denied, that the ecological and consumer troubles are currently being treated, here again, these issues only surfaced when the immense magnitude of the situation became evident. What manner of people can dedicate themselves to eradicate problems of immense proportion and yet do not have the foresight to probe and face them at the appropriate time, before they become critical?

Few nations are as blest as we. Few have accomplished the scientific, industrial and medical wonders that have made us one of the giant forces in shaping the past.

But what of the future?

Can we as a nation retain this prominence or are we fated to follow the path tread by other "great" societies: Greece, Rome?

History will pass judgment and show if we rectified our shortcomings, preserved our cherished values and continued to prosper, or went the way of the others. Scattered about us are the signs of collapse: our society is split and divided against itself, the currency that many worship as the golden calf, has come into question, the priority of education is low on a list that is headed by defense and welfare and the voice of the concerned citizen is drowned out by a volley of jeers.

Just where are we headed?

This question cannot be answered by Congress, or by Wall Street, or even by those who are working so feverishly to save in America that which is good. The answer must come from the heart of every American. Only when every American pledges himself to the task of being eternally vigilant to those sacred values which for so long have been paid only lip service, can we hope to begin the undertaking which looms before us.

Chamber Members Will Host Teachers And Administrators On "B-E" Day

On Tuesday, November 9, 1971 the Antioch Chamber of Commerce under the leadership of Grant Spong, President, will sponsor a first for the Antioch area. Thirty-three of the Chamber's member firms will host the teachers and administrators from Antioch Grade and High Schools as well as from Grass Lake, Emmons and St. Peter for lunch at Lorenz's. After lunch the businessmen will take the teachers back to their place of business and tour the

facilities explaining how their particular operation is handled. It is hoped that, besides a better understanding between the two groups, the teachers will have an opportunity to increase their understanding of America's economic system. The teachers will be shown how a particular company contributes to the growth and development of Antioch and their experiences will supplement textbook theory with the realities brought out by these visits.

Our Congressman

Reaction in the U. S. Congress is running high as a result of the United Nations General Assembly vote ousting Nationalist China from all U.N. organizations.

One response which appeared to attract a small but vocal segment of the U.S. House of Representatives was that of Congressman Robert Sikes of Florida, who expressed the hope that "the United States would get out of the U.N. - and that the U.N. would get out of the United States."

Most members were not quite as blunt in expressing themselves. Nevertheless, there was broad evidence of disappointment as the United States' effort to continue Nationalist China's membership in the U.N. General Assembly and other U.N. affiliated organizations - was rejected. While this has been described as a "two-China" policy, it is more accurately described as a policy designated to recognize Communist or Mainland China as a new member of the United Nations and to take cognizance of the reality that Nationalist China (Taiwan) is a viable government of some 14 million people which is a charter member of the UN - and should remain as a member.

The goal of a united China is espoused by both the Nationalist and the Communist Chinese. It seems that this would be far easier to achieve if Nationalist China remained in the U.N. organization.

What appears to have astounded most members of Congress is the failure of our traditional U.S. Allies to support our nation's supreme efforts to accept Red China in the U.N. without turning our backs on Taiwan. Such traditional allies as Belgium, Italy, France, Canada, Denmark and the Netherlands and many others voted to oust the Nationalist Chinese in what seems to be almost a deliberate affront to the United States.

Congressional reaction is apt to take on a more tangible form when the question of

appropriations for the United Nations comes before the U. S. House of Representatives and the Senate. The United States' contribution of some \$330 million per year represents more than 30 % of the total cost of operating the United Nations' organization. This is in addition to the original contribution of the land and structures which house the United Nations' headquarters in New York City, and does not include the very substantial expenses which are incurred as a result of maintaining the U.N. buildings, protecting the foreign delegations and providing other large benefits.

Congressional retaliation also may take the form of a reduction in appropriations of foreign aid funds to those nations which receive foreign aid and which chose to vote against the U.S. position.

While various other forms of retaliation may seem appealing at the moment, the blunt fact remains that the 131 members of the U.N. General Assembly have voted to replace Nationalist China and its government of 14 million people by the Government of the Peoples' Republic of China (Communist China), a government of almost 800 million people. Impetus for this action came from the U.S. itself -- and there is no indication that the recent U.N. decision will be reversed.

What does appear reasonable for Congressional thought and action is the restructuring of the U.N. as an institution including a careful review of (1) the voting strength of member nations in the U.N. General Assembly and (2) the percentage and amount of financial contributions of the various U.N. members.

At the moment, there appears to be an overriding atmosphere of restraint and reserve which is a healthy sign in any decision-making which might have far-reaching implications.

This attitude of calm restraint was exhibited by the Congress's foremost foe of large-scale foreign aid -- Representative Otto Passman of Louisiana -- who rejected political expediency and impulsive action in favor of a more moderate position which he described in these words:

"...I do not believe we should advocate abolishing the U.N. simply because of this one disappointment. Rather, I believe we should limit our contribution to the U.N...."

LETTERS TO THE EDITOR

OUT-DATED POSTCARDS

How long ago is it since you or someone you know has shopped for a picture postcard here in Antioch to send to a relative or friend?

The selection is very limited. You may purchase scenes of a few churches or a sailboat or motor launch on a lake (which isn't even in this immediate vicinity) and there your selection ends abruptly.

Where are the swell picture postcards we used to have? I can show you some dandies as far back as 1923 and you can immediately identify them as being from around your lake - scenes one can be proud to send to relatives and friends - not some meager selection as on sale today.

In July, 1969 I complained to the Antioch Chamber of Commerce. They were very nice about this situation. My letter was immediately acknowledged and they promised to look into the matter. However, I think the whole deal has been shelved. HOW ABOUT IT PERMANENT RESIDENTS AND TOURISTS.

Let's build a fire under the seat of the Antioch Chamber of Commerce to look into this matter thoroughly. We need their help!

Very truly yours,
Edward T. Houdek

Business, much as in life, has its' brisk and sluggish periods. But Roger and Dave Debenham try to squeeze from life every moment of excitement that it has to offer.

The two brothers are the owners of North Central Suzuki in Antioch. They are as active a pair as may be found. Permitted they're able to take time in a hectic schedule to tell of it. But this problem didn't surface as Roger found ample time to relate a fascinating tale.

Roger and Dave, formerly of Wilmette, had their first exposure to the Antioch region when their father brought the family to enjoy the many recreational features of the area.

Following high school the duo split up, each in search of his own personal goal.

Dave graduated from Simpson College in Iowa and then switched, characteristically, to the Coastal School for Deep Sea Diving, in California. When he became disenchanted with the prospect of diving for sunken ships, treasure and underwater work

Roger and Dave Debenham

he used his college Economics degree to work as a computer programmer.

Roger, in the meantime, attended Fort Lewis College in Colorado, attempting to become a Forest ranger, before trying his hand at a few careers in Chicago.

When the brothers had had enough of working for "other people," they again became a team and about 7 years ago opened North Central Suzuki.

Being outdoor men and having a fair Acquaintance with motorcycles, they noted the growth and popularity of the bikes. Motorcycles were undergoing an "image change," as Roger put it. "As more and more people discovered the recreational potential of bikes," Roger related, "the black leather jacket of cycle riders became a common sight, accepted by the public."

Soon they became infected with the "Moto-Cross" bug. As

members of the North Central Competition Riders, they have entered and staged this unique form of cycle racing that is just becoming popular in the States.

Moto-Cross is one of the most demanding and infectious sports going. It parlays riding skill and physical and mental endurance, along with courage and a certain unmistakable, unnamed "X" factor, that puts it light years away from the oval, fair ground type cycling.

This sport that regularly draws crowds of 30,000 to 40,000 in Europe, sends Britain into a week-end frenzy with T.V. coverage, and has grown to become Belgium's national sport is currently the motivating force for the Debenhams'.

So if you now want a bike, need your present chopper repaired or just want to shop and dream, North Central Suzuki is your kind of place.

King Arthur's Sword Being Readied For PM&L Stage

The musty attic set of PM&L's production of "The Price" has been struck (that's show biz talk for torn down) and the exciting scenes of PM&L's children's production of "King Arthur's Sword" are being constructed. The play has been cast and hard work is in progress to bring the world of princesses, knights and magic to the PM&L theatre stage on Saturday, November 27 at 10:30 a.m. and 2:30 p.m., Sunday, November 28 at 2:30 p.m., Sat. and Sun. December 4 & 5 at 2:30 p.m. "King Arthur's Sword", dramatized by Margery Evernden is being directed by veteran director and actress Valerie Hunley. The cast is as follows:

Richter, Publicity - Shirley Jensen.

Make no mistake that PM&L's children's productions are strictly for youngsters. "King Arthur's Sword" will fire up the imaginations of little and big people alike. Adult tickets are \$1.25 (\$1.00 when with a child) and children's tickets (grade school and under) are 50 cents. To be sure you get a seat, call 395-9702 for reservations NOW!!!

CHRISTMAS CLUBS PAY \$340,690.96

It looks like Christmas will be merry in Antioch this year. The two Antioch banks and the Savings and Loan have made Christmas Club payments to area residents totaling more than \$340,690.96.

The State Bank of Antioch mailed out Christmas Club payments this week to 1605 area residents totaling \$194,861.83.

The First National Bank of Antioch mailed out over \$100,000 to 600 area residents.

A spokesman for the Antioch Savings and Loan said that they mailed out \$45,829.13 to Christmas Club members.

Christmas Club accounts for the 1972 season may be opened at the First National Bank, the State Bank and the Antioch Savings and Loan Assn. now.

The production staff includes:

Stage manager - Gary Strahan, Set design - Bill Sershon, Costumes - Ricky Apostol, Properties - Becky Montooth, Lighting - Richard Elliston, House managers - Gary & Marie

CANCER SOCIETY RE-ACTIVATES SURVEY

The American Cancer Society is re-activating its Cancer Prevention Survey, which was started in 1959. Over 1400 Lake County residents participated as subjects of a comprehensive Medical Study of causative factors of cancer.

"300 million clues have been analyzed by computers since the beginning of the study", said Dr. Peter L. Vinciguerra, President of the Board of Directors of the Lake County Unit of the American Cancer Society. "The results of this study have been comprehensive enough for it to be re-activated after six years of inactivity. In a pilot study in California, it was discovered over 98% of the participants could still be traced".

"The group leaders and researchers in Lake County will be contacting those who participated in the survey so more clues can be learned", said Miss Bertha Reynolds, Vice-Chairman for the project. Volunteers from Antioch are:

Mrs. Clarence Spiering, Mrs. Roman Vos, Mrs. Louis A. Biel, Mrs. John C. Wagner, Mrs. Harry Weiss, Mrs. Elmer E. Eberman, Mrs. Curtis E. Wells, Mrs. Ruth Pickus, Mrs. Henry Pape, Florence Eckert and Mrs. Arthur Wertz.

College Of Lake County To Test Project

The College of Lake County has been informed that it is one of seven Illinois Junior Colleges to "field test" the Illinois Occupational Curriculum project.

Dr. James Seitz, Assistant Dean of Career Programs, and Minor Best, Instructor of Business, attended a three-day workshop October 13-15 in Springfield designed to review and clarify guidelines for the new project. Dr. Seitz was appointed local project coordinator.

Seitz noted that the project will be funded through the State Department of Vocational Education. "The project is a systemization of procedures used by career program administrators for the identification, development, implementation, and evaluation of career programs."

Currently, many students enroll and graduate in degree programs that are turning out far too many applicants to fill the needs of the field in the job market. This is presently true in the fields of Education and Social Science, where thousands of recent graduates are unable to find jobs in their professions.

jobs in specialized fields will require an education past the high school level but short of a 4 year college degree.

The task facing curriculum planners is to set occupational priorities, anticipate career

shortages, plan and develop new programs to satisfy the needs of these expanding fields and to advise students of the opportunities available in these new careers.

With the football season coming to a close, thoughts are turning to basketball. The first official game will be the Famous CHICAGO CUBS playing the High School Faculty. Names of the faculty haven't been released yet. Be sure to get your tickets early. All A Club members or PTA officers have tickets, or they may be bought at the school....The date - Nov. 11, Thurs. 7:30 P.M....

Hope you made it over the halloween trick or treat hours. I ran out of candy three times. Sure were a lot of hungry goblins and witches on the streets....

Get Well wishes to GERRI DOST of Felter's Subdivision, Lake Catherine who recently underwent surgery. Also to MRS. ALFRED ROTH who just got out of the hospital as her son DANE was entered. Dane was in an auto accident on Friday, Oct. 22. Seems when it "rains it pours."

FRANCIS LaPLANT was a charming and delightful Mistress of Ceremony at the Antioch Womens Golf League Awards dinner. The "fun" evening was held on October 27 at the Iron Kettle in Wilmot. Look for picture and more info in NEXT WEEKS PAPER.

Happy birthday to KAREN ANDERSON on November 2, LAURIE POULOS on Nov. 3, Lucille Kuechenmeister on Nov. 6, and Marge Poulos on Nov. 8...Blow out the candles!

ACHS Presents "Our Town"

The Antioch Community High School's Fine Arts Department will present "Our Town". Thornton Wilder's beloved American play, on November 5th and 6th, in the high school auditorium. Curtain time for the production will be 8 p.m.

Featured in leading roles in "Our Town" are: Mike Ament as stage manager. Dave Oelerich and Elda Minger as George and Emily. Betty

Waters and Steve Albright play the parents of George and Shari Prang and Ken Boucos portray the parents of Emily.

Also featured in the play are Connie Wiczorek as Rebecca, Tom Craner as Professor Willard, Don Barlow as Simon Stimson and Joanne Apostol as Mrs. Soames.

"Our Town" is being produced as a service to the community but also as part of a study project by English III classes at the high school.

The play is directed by Ken Smouse and stage managed by Kim Shkapich.

Women of the Moose

On Thursday, October 21, the meeting of the Women of the Moose was called to order.

After the minutes and correspondence was read, the chapter proceeded to the enrollment of Kathleen Seifert. She was sponsored by Collegian Jerri Polson.

The birthday march was made by Cathrine Kloth,

Bernie Rosquist, Gerri Mark, Norma Lowe, Evelyn Miller, Dorothy Larsen, Carol Boston, and Bernice Lupa.

It was announced by Senior Regent Page that the Christmas Bazaar will be held on the first and second meetings, November 4th and 18th, by the Childcare Committee. Also, the second meeting in November will be Green Cap Night. It will be held in honor of Erna Toft. She recently received her Green Cap at the convention in Peoria.

The next meeting will be on Thursday, November 4th.

Cleven Attends Bank Seminar

Peter J. Cleven, loan officer, First National Bank of Antioch was one of 88 registrants from 26 states who successfully completed the fifth annual seminar for younger bank officers held last week (Oct. 25-28) at Ball State University in Muncie, Indiana under the sponsorship of the Independent Bankers Association of America.

The intensive four-day seminar is designed to help younger staff officers, both men and women, prepare for senior officer responsibility in independent banks. The program offered instruction in basic banking subjects, workshop demonstrations of various skills and machines useful in medium-size and smaller banks, and lectures on the philosophy of independent banking.

Dr. Robert H. Myers, lecturer in finance at Ball State, headed the seminar faculty which was assisted by general officers and council members of the association who came from Texas, Illinois, Nebraska, Minnesota, Iowa and Louisiana to participate.

RAINBOW GIRLS HAD A BUSY WEEK

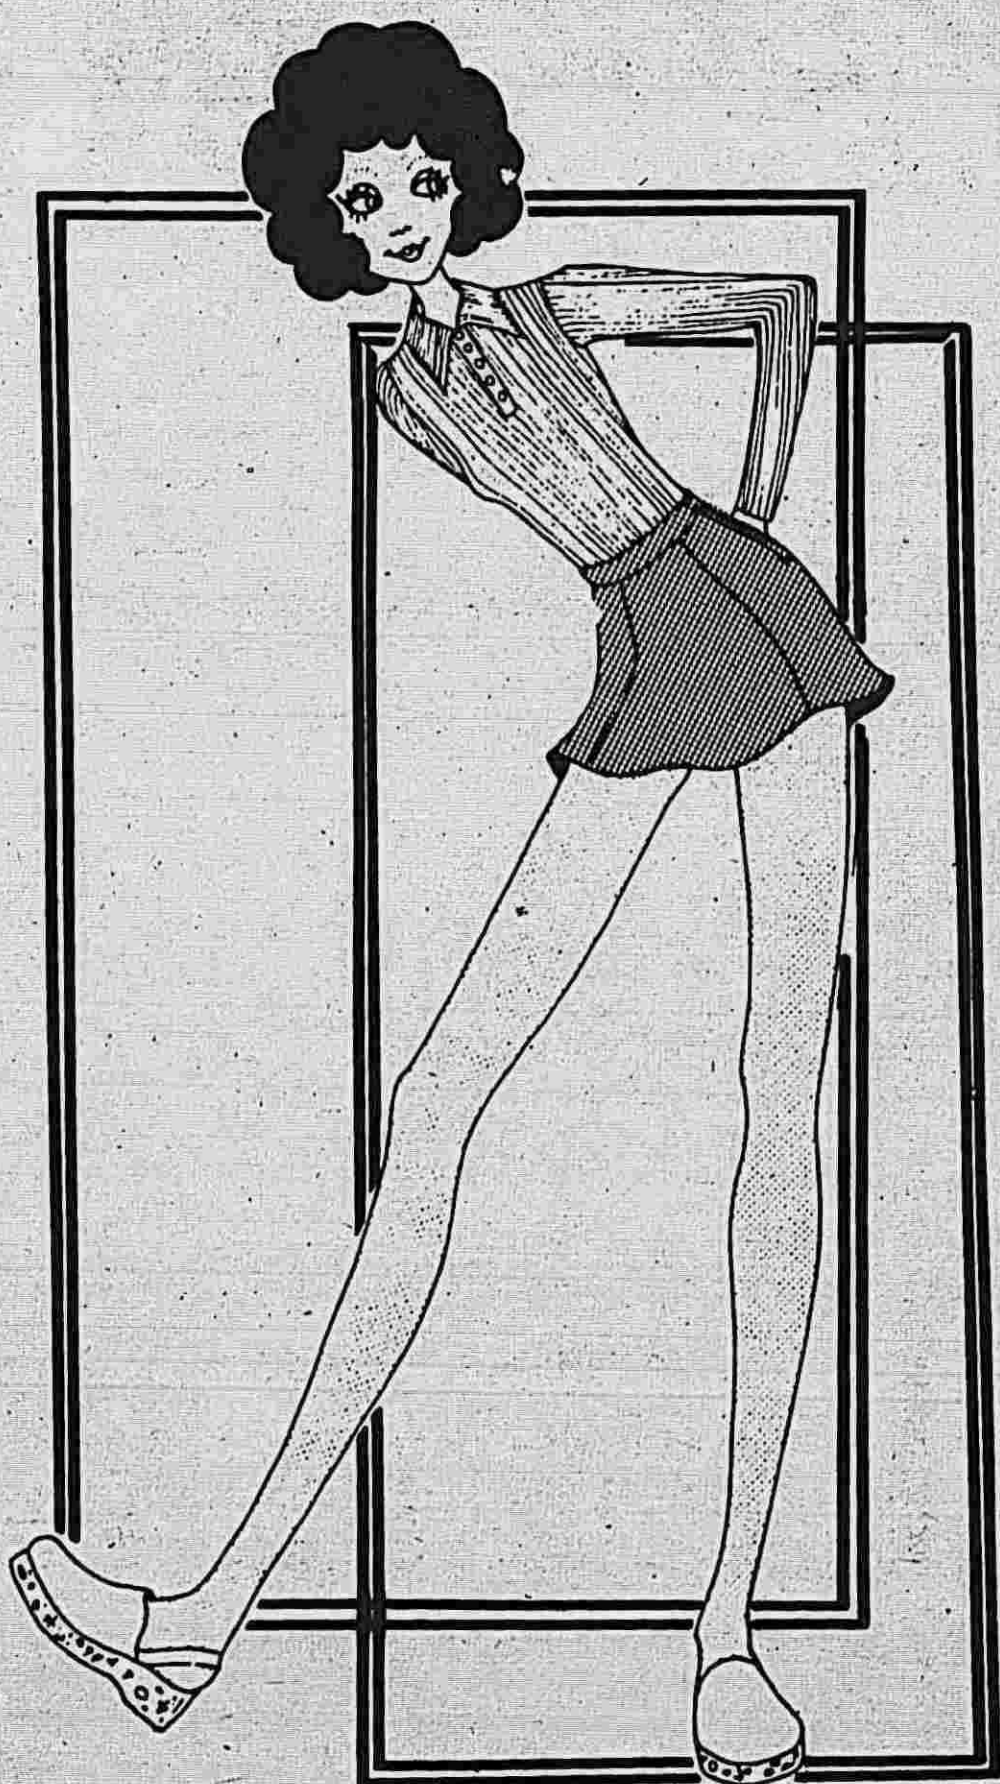

The Order of Rainbow for Girls held a regular meeting on Monday, October 25, 1971, at the Masonic Temple. Following the meeting was a Halloween party. There were games and refreshments, it was an enjoyable evening for all.

Wednesday, October 27, 1971, Antioch Assembly went to Grayslake Assembly to help them with initiation. Our girls filled their color stations.

Friday, October 29, 1971, was Linda's slumber party. At 6:15, the girls met at the temple to unload their gear, and then went to the theater to see "The Return of Count Yorga." Then, afterwards, they returned to the temple for a fun meeting.

Paty's Lounge

While other restaurants have become pretentious and extravagant, there is one local institution that has remained constant in their understanding of public taste and public service.

Paty's Lounge, located on Highway 173, just West of Antioch, has seen time and fads change in the 11 years of service, but has continued to serve the substantial and dependable meals which have made it one of the area's favorite dining spas.

The owners Elaine and Ted Smith are understandably proud of their traditional approach to food preparation.

The Smith's specialize in steaks and seafood prepared in the hearty, robust manner that has delighted countless patrons.

During the week-end the feature that heads the menu is a Bohemian Style duck dinner which includes sauerkraut and dumplings.

The adjoining cocktail lounge follows the trend of the dining room. Ted serves the time honored beverage favorites of American taste from a fifty foot, L-shaped bar. The only departure from this policy is the imported beer that is preferred by many of Paty's German patrons.

Over the years, the Smith's, whose family has provided generations of local public service, have been constantly making improvements to the decor. A large hand carved shamrock, a wrought-iron grill and small crystal chandeliers set the mood for pleasant dining.

Week-end entertainment is provided by the Purple-Tones. The three piece group specializes in the music of the 40's and the 50's that delights the diners and allows the dancers a chance to reminisce on those great years.

Paty's also contains a banquet room that serves 80 patrons in the style and manner that makes this spot a must for those who prefer a home style atmosphere.

American Legion Auxiliary News

Due to the inclement weather on October 22nd, the hayride party of the 10th District Juniors of the American Legion Auxiliary, was postponed to November 5th, at 8:00 P.M., at the Rocking "C" Stables, on Grand Avenue, Lake Villa. However, if unpleasant weather occurs then, alternate plans will be made to hold the party meeting elsewhere.

Mrs. Bernard DeVries, Antioch Junior Activities Chairman, states that she will alert the Junior members of the new arrangements.

The Second Division Fall Meeting of the American Legion and the Auxiliary will be held in Fox Lake, on November 7th, at 1:30 P.M. Legionnaires will meet at the Lake Regions' American Legion Home, with 2nd Division Commander Eugene Miller, Glen Ellyn, as their presiding officer. Auxiliary members will be in the Fox Lake Lions' Club, with Mrs. Charles Butts of Freeport, Division President, conducting the meeting. Officers from the 10th District who will be

participating at these sessions include Division Senior Vice Commander, Rene Jackson, North Chicago; Division Vice President, Mrs. Ray Rathmann, Antioch; Division Americanism Chairman, Mrs. William Franzen, Vernon Unit; and Mrs. Herbert Gleason, Libertyville, Division Children and Youth Chairman.

Comprised of the 10th, 11th, 12th and 13th Districts, the 2nd Division covers all of the northern Illinois, with the exception of Cook County (a division in itself). There are over 35,000 legionnaires and some 20,000 Auxiliary members in 2nd Division.

Among the topics to be discussed will be membership, Americanism, children and youth, and the rehabilitation program.

There will be a meeting of the 10th District American Legion Auxiliary, at 8:00 P.M., at the Round Lake American Legion Home, on November 10th. Mrs. Joseph Hogue, Waukegan No. 281, District President, will preside throughout the session.

The year's budget will be

outlined by Mrs. William Schultz, North Chicago, finance chairman, and voted on by the members. All the year's scheduled programs and activities will be discussed.

All officers, chairmen, delegates, alternates and members are urged to be in attendance.

The AARP of Antioch last Tuesday held their annual Halloween Party and costume contest. Aside from all the fun that the members had, they had a very spirited costume contest.

The winners (l to r) were for funniest costume - Dolly Splering. Most original costume - Victoria Anetsberger. The Queen of the contest - Violet Feldmann (the Queen is in a Devils Suit). and the King of the contest was John Brennan. (staff photo)

AARP HAS GALA HALLOWEEN PARTY

On Tuesday, October 26th, 58 members of the Antioch Area Association of Retired Persons held their annual Halloween party. The party was held in the afternoon at the Community room of the Antioch Savings and Loan Building. Many of those attending appeared in costume.

As one chapter officer stated, "it sure takes a lot of begging to get the members to step back a few years and act like kids, but our chapter members did a real job of entertaining each other."

The defensive driving course, sponsored by the AARP, had its first meeting on Tuesday, October 26th. Twenty members of the Antioch chapter and fifteen members from the Fox Lake local attended the morning meeting, also held in the Savings and Loan Building.

Reverend and Mrs. Donald Cobb of the United Methodist Church, became grandparents for the eighth time, when their son and his wife, Dr. and Mrs. Stephen Cobb had a bouncing baby boy born to them on October 11th. Baby Stephen tipped the scales at nine pounds and was born at Dayton, Tennessee. His older sister and Grandma Cobb were at home to welcome him. His father, Doctor Stephen Cobb, is a professor of christian history at Bryant College. Reverend Cobb drove his wife to Dayton, then had to leave to resume his pastoral duties. Mrs. Cobb flew back a few days ago! **HEARTIEST CONGRATULATIONS TO BOTH COBB FAMILIES!**

Spooks, ghosts, hobgoblins galore, and even one weird headless woman nonchalantly carrying her head in her arm were all part and parcel of the hilarious Halloween party, hosted by the John Matteoni's of Lake Villa, on Friday, October 29th. Approximately thirty guests, most of them

SEQUOIT SMOKE STACKS

It seems like everyone was busy with some kind of project this week. The F.T.A. had its hands full with two different projects. They acted as hosts for the visiting parents during National Education Week and helped the grade school teachers in this area with their Halloween parties.

The COLORGUARD was asked to march in Carmel's homecoming parade this week-end. They really got their exercise seeing that the parade route took them all the way from Mundellen High School to Carmel.

About 80 English students took a bus to Carthage College on Thursday. There Shakespeare's Hamlet was presented on stage. That was an experience for many who had never seen Shakespeare before.

Congratulations to GARY

MANDEHR who took third place in the Cross County sectional at Crystal Lake Saturday. Keep up the good work at state!

Halloween was celebrated at the high school Friday night at the Halloween Rock Festival put on by the Knights of Columbus. Dick Dioni and the Blood Money entertained at the dance which started at 8:30 in the girl's gym. Dick Biondi gave out about twenty albums and some 45's too. WENDY LAURSEN and VIC MCGUIRE won first place in a dance contest they held and received ten dollars for it. Everyone really enjoyed the evening.

The last home football game of the year was held Saturday afternoon. It was Parents Day for all the player's and cheerleader's parents to come and watch free of charge. Unfortunately they didn't get to see the team win because our SEQUOITS got defeated by the Wauconda Bulldogs by a score of 14-7.

Don't forget the Cubs Basketball game November 11. See you next week.

Hope all tummy aches are over by now and door bells repaired. I know I'm still picking up candy wrappers everywhere.

Many happy birthdays were celebrated last week beginning with Wade Hucker who was 6 years old on October 26th. Patty McKinny celebrated her birthday with a party at her home after school for all her classmates on October 26th also.

Debbie Miles shared her birthday cake with her family on October 28th. Jimmy Gutowski had his 11th birthday on October 30th with a family dinner with Grandma and Grandpa Gutowski helping to eat the birthday cake.

Pat Hucker is a patient in Victory Memorial Hospital undergoing tests. We wish you a speedy recovery, Pat. Get well soon.

Marie "Dolly" Bobo is home again after undergoing surgery in Victory Memorial Hospital last week.

Rich Irmin was surprised by his wife, Diane, on Saturday October 22nd, with a very well planned surprise birthday party. Rich reached the "life begins at forty" age and his friends and family were there to help him celebrate. He received many gifts ranging from a rubber ducky to a bottle of Geritol. A good time was had by all and Rich was truly surprised and tickled by the whole thing.

Happy 41st anniversary to

the Emil Frozeth's.

Lyle Rogers became a grandfather on Saturday, October 28th when his son Dave and wife Vicky gave birth to an adorable little 6 lb. 11 oz. girl who has been named Melissa.

Lou Portalski became a grandfather for the 12th time when son Bill and his wife Alice had a 6 lb. baby boy named David William. The little guy was born on October 27th and is also this reporter's nephew.

When the gas gauge is pointing to the big E, it does not stand for enough as Corothy Enzenbacher found out when she dropped the kids off at school last Thursday morning.

The Channel Lake grade school was full of excited happy children last Friday as the children and their room mothers and teachers held the Halloween room parties. Along with Mrs. Betsy Houghton, first grade teacher, alias the good witch and Mr. Tom Robinson, the custodian, as a bald headed clown, they were assisted by some of the members of the P.T.A. of the Antioch Community High School. The members were Bev Edwards as a lamb, Chris Chase as the clown, Diane Huege as Peter Pan, Jenny Walpole as a bum, Wendy Stout as a gypsy and Bob Blanchette an elf. Needless to say the children had a wonderful time as the P.T.A. led them in the Grand March and conducted a big Halloween sing along. They can hardly wait for the next room parties to be held.

Speaking of parties, Rich and Kathy Behrens hosted a large Halloween party at their home with about 40 relatives and friends attending. Many

games were played and dancing to the wee hours plus a delicious buffet made for a very good time for every one including Raggedy Ann and Andy and that indian rain dancer. The costumes were great this year.

Donny Purfurst won a \$20 prize savings account in the pumpkin decorating contest held by the State Bank of Antioch. His sister Kitty also won a \$2.00 account and little sister Margaret was thrilled because she won her pumpkin back.

Also winning a \$2.00 savings account in the contest was Todd O'Conner of Grapevine Ave. Our area was well represented in the contest and made a fine showing.

The Cub Scout Pack No. 86 held it's first fall Pack meeting at the Channel Lake Grade School last Wednesday with the introduction of the new Cub Master, Mike Zeien and a very large Awards presentation. Among the award winners were Danny Hucker, silver arrow, Bob Rudolph, Wolf Badge and gold and silver arrow, Tim Conklin, silver arrow, Denner Badge and 1 year pin, Rich Rogers, Bobcat pin and Asst. Denner Badge, Kirk Sarmont, 1-year pin and Bear Badge, David Miles, 1 year pin and Asst. Denner Badge, Jeff Marcussin, Denner Badge, Doug Neimi, Bobcat pin and Asst. Denner Badge, Leland Quirk, a Denner Badge and Jim Rollins his Forestry pin.

After the award the pack enjoyed a Halloween party complete with a spook house and many games. The kids had such a good time they hated to stop for refreshments. Now that's really having a good time.

Let me know the news. 395-1317.

LOUISE

NO its not two girls trying to find a local Halloween Party, but rather "just doing their job" at the Telephone office in Antioch. Miss Bonnie Haase, a service order writer and Miss Sue Carlson, a service representative for the Bell Telephone Company came to work the day before Halloween dressed in the "Spirit of the day." SOCIAL NOTES Continued

members and guests of the Antioch Evangelical Free Church enjoyed an entertaining evening, with unusual and amusing games planned by Reverend Bernard and Mrs. Fosmark. One enterprising couple had everyone fooled all evening - they came as a 8' x 5'

brown wrapping box - SURPRISE! It was Dr. and Mrs. Gilbert Maple. Incidentally, in case you're curious, the mysterious lady who preferred toting her head was Mrs. John Denks. Just hearing about this party provokes a lot of laughter!

THE TRUTH THAT HEALS

CHRISTIAN SCIENCE CHURCHES

This verse from Psalms will be among those read at Christian Science church services Sunday. The Bible Lesson-Sermon is entitled "Adam and Fallen Man."

Commentary from Science and Health with Key to the Scriptures by Mary Baker Eddy includes: "When speaking of God's children, not the children of men, Jesus said, 'The kingdom of God is within you,' that is, Truth and Love reign is the real man, showing that man in God's image is unfallen and eternal."

Services begin at 11:00 a.m. at the First Church of Christ, Scientist, Beacon Hill Rte 173 & Harden, Antioch, Illinois. All are welcome.

Countryside Hospital Auxiliary To Meet

On Wednesday, November 10th, the Women's Auxiliary of Countryside Hospital will have a Luncheon Meeting at Lorenz's Smart Country House, Route 173, west of Route 59. The Rev. Hugo Zerbe, Executive Director of Countryside Hospital will speak to the members and their guests. He will talk about the Referendum which is to be held on Saturday, December 11th, and will answer any questions.

The luncheon and meeting is open to all women of the four townships which will be served by the Hospital: Antioch, Avon, Grant and Lake Villa. Their attendance will be most welcome. Luncheon will be at 11:30 A.M., the cost is \$2.00 including tax and tip, dessert is additional. There is a choice of either Chicken Poulet or beef. Reservations must be in by Friday, November 5th and can be made by calling any of the following members: Alice St. Romain, 356-5196; Janice Kennan, 546-3535; Christine Stan, 587-8129; or Frances Winiacki.

Mrs. Lillian Severs, president of the Auxiliary, urges all interested women to attend this important meeting. The meeting will begin at 1:00 P.M. in the downstairs room. Guests and members will be welcomed to this open meeting even though it is not possible to attend the lunch.

Final plans for the Christmas Party will be discussed.

YOUNG HOSTS DOCUMENTARY

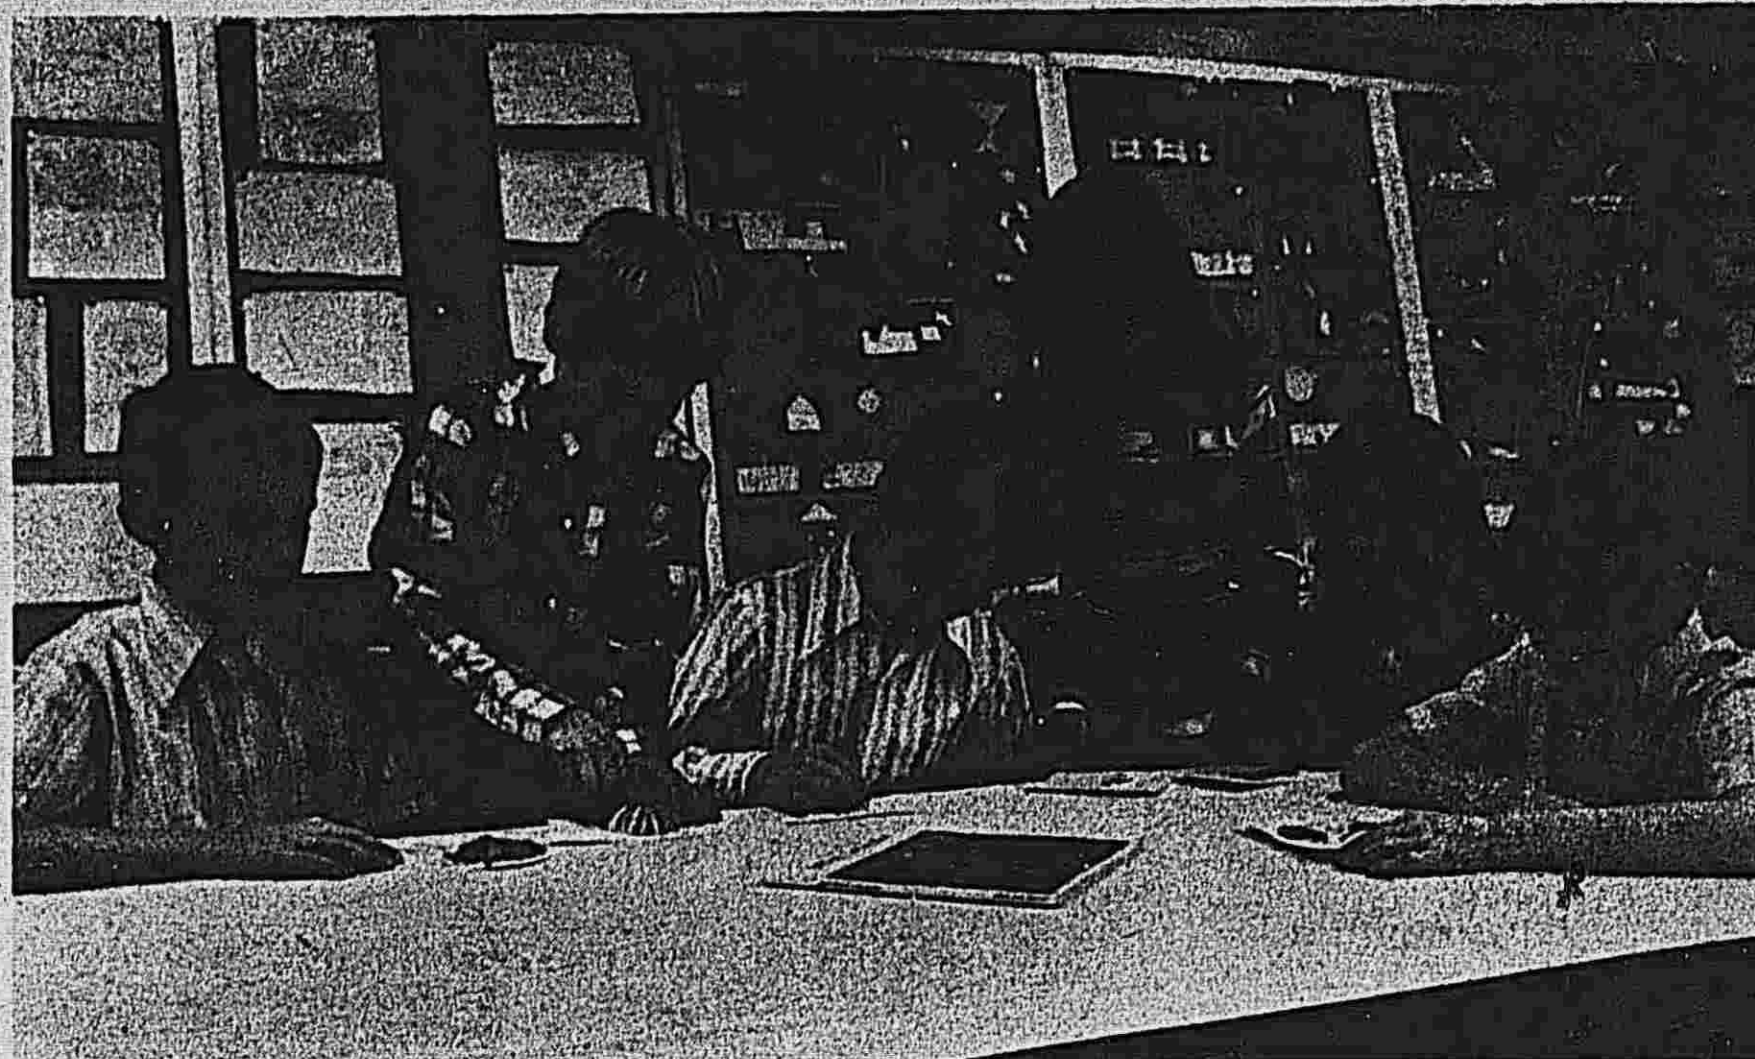

Alan Young is the moderator of a television documentary on Christian Science which will be seen in the Antioch area November 7th.

Station WLS-TV - Channel 7, in Chicago, will carry the half-hour color film on November 7th, 1971 at 8:00 A.M.

Part of the ABC "Directions" series, the program is expected to have special appeal to youth.

Young, who has been absent from TV since the days of the "Mister Ed" show, will discuss the relevance of religion to current problems with students who attended the Christian Science College Organization meeting held August 26-28, 1971, at the denomination's world headquarters in Boston.

The show, which will also look into the history of the Christian Science movement, is called "Christian Science: How Do You Heal a World?"

5th grade students in Mrs. Dittman's class at the Antioch Grade School are looking over their project material that they developed in their Social Studies Class. Pictured are (l to r) Paul Dugenske, Steve Burritt, Steve Haley, Kathy Walsh, Deanna Ware, and Tim Haviland. (staff photo)

National Merit Letter Of Commendation Winners

Antioch Community High School is proud to announce members of its senior class who have achieved a distinctive honor in being Letter of Commendation winners in the competition conducted by the National Merit Scholarship Corporation. This honor recognizes them as being in the top 2% of scholars in the

nation. Their names are: Andrew H. Haber, son of Mr. & Mrs. Lorenz Haber of 2107 Old Elm Road, Lindenhurst, Illinois; Sharon L. Prange, daughter of Mrs. Marion Prange of 285 Chestnut Street, Antioch, Illinois and Krista Barlow, daughter of Mr. & Mrs. Townsend Barlow of 434 Orchard Street, Antioch, Illinois.

REV. P.B. PETERSON TO SPEAK AT FREE CHURCH

Rev. Paul B. Peterson, F.R.G.S., President of the Eastern European Mission, an interdenominational missionary organization with international headquarters in Pasadena, California, will be speaking on the subject, "Preaching Christ Behind the Iron Curtain", in The Antioch Evangelical Free Church, Tiffany Road and Highway Drive, Thursday, November 4, at 7:30 P.M.

Having been associated with missionary and relief work in Europe since the early 1920s, during which time he has ministered in nearly all of its countries, Mr. Peterson is well posted concerning conditions there.

As Director of the Mission it has been his privilege in recent years to proclaim Christ in Greece, Yugoslavia, Germany, Poland, Russia, and the Netherlands, on one occasion having preached openly for a month in Russia, Poland and Yugoslavia. Both in 1970 and 1971 he was in Europe conferring with the Mission's

co-workers and other Christian leaders on both sides of the Iron Curtain and ministering the Word.

Mr. Peterson reports that of all the Soviet satellites, Poland enjoys the greatest religious liberty. The door to that country is wide open for evangelism among adults and youth. The Christian believers have paid dearly for this freedom. As Mr. Peterson with his wife has served in Eastern Europe as a missionary, he has access to some of the most reliable sources of information and tells a thrilling story of the sufferings and victories of God's people.

The Mission ministers to underprivileged youth in West Berlin and to repatriates from the East in Hamburg; assists in meeting the physical needs of people on both sides of the Iron Curtain; produces Sunday school and/or Christian literature in several countries; and via radio broadcasts the gospel to Russia, Poland and other Eastern European countries.

NEED FOR POSITIVE THRUST IN CATHOLIC EDUCATION DISCUSSED AT ST. PETER'S PARENTS NITE

Parents of St. Peter School children were welcomed into their children's classrooms Thursday evening by the faculty. Exhibits of student accomplishments were on display throughout the building.

Following the viewing of projects, parents heard three representatives from the Chicago Archdiocesan School Board Office. The guest speakers were Mr. Ralph Bonaccorsi, Sister Mary Benet, and Sister Ann Kathleen.

The theme of the evening's discussion was the need for a positive thrust in Catholic education. Clearly emphasized was the need for teachers and

students to be allowed to grow in an atmosphere of creative freedom brought about by mutual concern evidenced by students, teachers, and, most especially, parents.

Mr. Ralph Bufano, physical education teacher active in several Lake County schools (including St. Peter's), was an additional guest speaker. He stressed the importance of physical education in a child's character development.

The large number of parents present seemed to indicate a willingness to accept the challenge presented to them by the speakers. Questions from the floor further reinforced the validity of Catholic education.

Channel Lake P.T.A. Presents Film

November 9th will be the first movie of the year. It is Yogi Bear in a full length cartoon feature, "Hey There It's Yogi Bear". Everyone is invited to attend including pre-schoolers with their mommies of course. Permission slips will be sent home with the children and must be signed and returned to school so the child may stay. The price of the movie is 50 cents and includes refreshments. The parents must provide transportation home after the movie.

Please don't forget our Christmas bazar which will be held at Oakland Grade School on November 21st. Our school will be sponsoring an Arts and Crafts booth. Anything you can donate along these lines will be appreciated. For information call any of the P.T.A. officers.

Antioch Grade School Plans Open House

The Antioch Grade School PTA is making plans for its second meeting of the year November 15. It will be an Open House with room visitation. At this time parents will be able to visit with their children's teachers; and ask any questions that may have arisen from school visits during National Education Week.

A.M. Kindergarten and 3rd grade room mothers will serve as hostesses.

Plans are also being made for the Bake Sale to be held at the Oakland Bazaar on November 21.

ELLEN KESSLER and GLORIA HOLBERT are attending a 6 week basic PTA course at Round Lake Beach. This course offers many facts and ideas to be used for their office as treasurer and president.

New Parent-Teacher Group Is Formed At Antioch Upper Grade School

Since its opening in early spring of 1971, the recently completed Antioch Upper Grade School has been without a Parent-Teacher organization. This lack was remedied on Tuesday evening, October 26, with the creation of the Apache Parent Teacher Club. This entirely new organization is autonomous and is not affiliated with any state or national association.

Approximately 60 adults were on hand to vote the organization into official existence. The high percentage of teaching staff in attendance was especially gratifying to the organizing committee.

The temporary chairman, Carl Scheske, presented a proposed constitution consisting of 12 articles to the group. While providing for the customary guidelines for efficient operation of welfare of children and youth ... the raising of standards of home life and the development of united efforts between educators and the general public, resulting in the highest advantages of physical, mental, social and spiritual education for every child.

Programs implementing these objectives and promoting closer relations between home and school so that parents and teachers may cooperate intelligently in child training, will be developed in future meetings.

A slate of officers presented by the Nominating Committee was unanimously elected.

Louise Gutowski, President. Bernice Pape, vice President. Jan Lytikainen, Treasurer. Lorraine Herrera, Secretary.

Mrs. Gutowski assumed the chair and introduced the Committee Chairmen. These are: Ways and Means - Pat Harland. Membership - Justine Lubkeman. Hospitality - Jan Kut. Publicity - James Hotchkiss. Budget and Finance - Richard Kessler. Program - Bernice Pape.

Meetings of the A.P.T. will convene in the Upper Grade School cafeteria the fourth Monday of alternate months beginning with a pot luck supper on Monday, November 22. Parents of students in District 34 are cordially invited to attend.

Information concerning membership in the Apache Parent Teacher Club may be obtained by calling Mr. William Herbst, Principal, Antioch Upper Grade School, telephone 395-1905.

SALEM GRADE SCHOOL PRESENTS PLAY

The Salem Consolidated Grade School Dramatics Club will present the play "Bachelor of the Year" on Tuesday, November 9, 1971. The play, which was written by Joseph Baldwin, will be presented in the School Auditorium at 7:00 P.M.

The play deals with the personal problems of the teachers on a high school faculty. It is "leap year" in Logan City, and it seems as if the single female teachers are going to take full advantage of this custom!

Members of the cast are: Mark Paddock; Paula Springer; Koby Penz; Julie Gabriel; Roberta Kofoed; Jeff Sorenson; Debbie Engle; Karen Paddock; and Jamie Verzal.

Other members of the Club who are working on publicity, prompting, and lights are: Karla Whitney; Lori Morris; Jean Olkives; Lisa Richards; Nancy Dukowitz Marilyn Moran; Peggy Slamar.

Tickets may be purchased from club members or at the door. Pre-school children will be admitted free. Grade school children, through 8th grade, may purchase tickets for 25 cents. Adult tickets are 50 cents.

ACHS PTA TONITE

The next meeting of the Antioch High School P.T.A. will be Wed. Nov. 3rd at 8:00 P.M. in the Student Commons. All parents are urged to attend. A very informative evening is being planned. Sophomore Course Direction will be discussed, and the Junior tests will be explained. At the recent planning meeting of the P.T.A., Superintendent Albert Dittman spoke to the Officers explaining that he would be interested in forming a "Joint Student Welfare Advisory Council" It would be made up of 12 students and 12 adults. The forum would be where students can make recommendations and express what is on their minds, such as the recent inquiry to have a smoking lounge, open campus, etc. Plan to attend this meeting, learn more about what your P.T.A. and Administration are doing for the betterment of the student body.

Also keep in mind, Nov. 11, 7:30 P.M., the Benefit ball game when the ACHS Faculty challenges the Chicago Cubs in a game of Basketball. All seats are \$2. Tickets may be purchased from an "A" Club member, or a P.T.A. member.

Class Of '31 Holds "Golden Anniversary Party"

"The Class of 1931 held their 40 year Reunion and dinner at the Antioch Country Club. It was 10 years since our last get together at Smarts Country House. John Dupre showed pictures taken then and also acted as our photographer last Saturday nite, October 30. Fanny Westlake Yates brought all the old class pictures which were enjoyed by all," said Mrs. Helen Nelson.

Mrs. Ruth Mapes Baethke read letters from their teachers at A.T.H.S. from some 40 years ago. Mrs. Ruby Richey Irwin, Mr. Hans Von Holwede, Mr. LeRoy Stark and Mr. Lynn Watson were kind enough to write. Our only teacher present, Miss Cornelia Roberts, was escorted to her seat by Mr. Edmond Strang.

Fanny Yates read letters from class members Clara Christensen Vose, Charles Holmes, Rev. Norman Barthel, Hazel Sheehan Justice, William Nielsen, Dr. Richard Martin, and Robert Hughes who could not be with us.

Olive Hansen Martin, our class president, read the news article from The Antioch News 10/19/61 about our last reunion. Mrs. Helen Pedersen Nelson read names of six class mates now deceased. They are: Norbert Pacini, Mildred Robinson Wagner, Allen Hanke, Helen Buchert Schaeffer, Russell Nickerson and Frank Hahn.

Deceased teachers to our knowledge are Mrs. Dardene, Mr. Reckers, Mr. Kertil, Mr. Hackett and Miss Smith.

Mr. and Mrs. Warren Polley, now Asst. Supt. ACHS were also our guests. Mr. Polley took about 16 of us on a most interesting tour of our High School on Sat. afternoon at 4:30.

We enjoyed many laughs about 40 years ago. Miss Roberts told us about the full school busses stranded in Waukegan for 2 days and nights because of snow. The students from over east rode in Kenny Denman's windowless bus to and from school. It was a full rig too. Jack Neahouse

standing and hanging on the back.

Mrs. Helen Nelson made comments about homes renting for \$20 and \$25.00 a month then. Tires cost \$5.60 each. Tall cans of red Salmon were 2 for 25 cents. Sugar was 48 cents for 10lbs etc.

Several members had over 20 grandchildren each and one member is about to be a Great Grand Parent. "Its for sure we didn't need to hire baby sitters for our own outing tonite," one classmate commented.

"Because we were a class of 40 and it is 40 years since graduation, we will call this our Golden Anniversary Party," said Mrs. Nelson. Gold colored leaf name tags were used, also gold key chains with smiley faces were at each plate.

We all agreed to meet and try the rocking chair idea in 10 years. The evening ended with dancing and a social hour.

Classmates attending with spouses were: Esther Andersen Dolan (Broadview, Ill), Leonard Armstrong (Lake Villa), Vera Bown Mair (Antioch), Kenneth Denman (Milburn), John Dupre (Antioch), Ward Edwards (Rockford), Marguerite Galiger O'Conner (Winfield, Ill), Olive Hansen Martin (Lake Villa), Harry Johnson (Winthrop Harbor), Ruth Mapes Baethke (Antioch), Jasper McCormack (Salem), Margaret McCormack Milner (Kenosha), Jack Neahous (Russell, Ill), Helen Pedersen Nelson (Antioch), Marie Shedeck Wells (Antioch), Helen Simonsen Celina (Chicago), Edmond Strang (Antioch), Ardis Toft Petersen (Kenosha), Grace Nelson LaFayette (Kenosha), Fanny Westlake Yates (Antioch), William Yopp (mundelein), Elizabeth Anginger Andersen (Antioch), and Vernon Webb (Waukegan).

DRIJE - JENNRICH STAR FOR MONMOUTH

Monmouth College scored the first five times they had the ball and went on to crush Knox College 47 - 13 in their Homecoming game on October 23rd.

Commenting on the game, Coach Bill Reichow said, "I can't say enough about the line blocking of Karl Jenrich (of Lake Villa) and Greg Drije (of Antioch). Everybody was ready and did their job".

GOBLINS MAKE THEIR ANNUAL APPEARANCE

Goblins and witches reappeared again this year Wednesday night when the CHAIN O'LAKES MIXED LEAGUE held their annual Halloween bowling party. The costumes were even better this year than last. We must say "CONGRATULATIONS" to all on their fantastic ideas.

Bill, Ray L., Bob and Ray J., were brave enough to stay around after they were through bowling to be judges and pick out what they thought were the best costumes. With everyone in such good costumes it sure made their job a hard one. After the big decision was made, President Bill "Cave Man" Garraughty announced the winners.

Best Couple: Phil and Jackie Vos

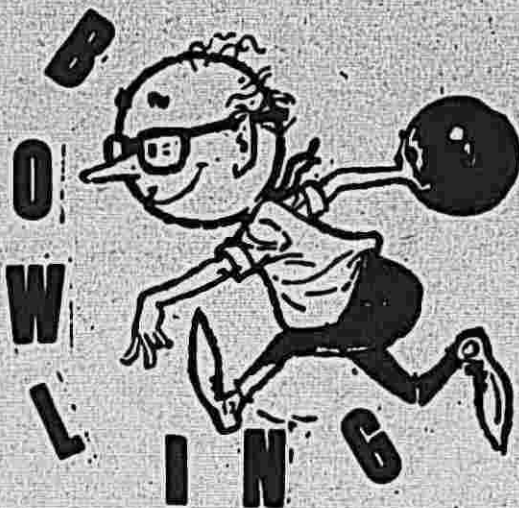

Six Best Males: Dave Turner, Don Curtis, Jim Murphy, Frank Slazes, Tony Deutsch and Mike Ditzig.

Six Best Females: Martha Schneider, Betty Benning, Rose Garraughty, Maggie Murphy, Kathy Kaatz and Carol Niewiedzial.

We thank the judges and hope we didn't scare them too much.

Bowlers started to bowl and despite their awkward costumes came up with some pretty high games.

Hope to see you all next year.

ANTIOCH "B" TEAM 20 WAUCONDA 0

Saturday morning the Antioch freshmen "B" football team brought its season record to 4 wins and 3 losses with a 20 - 0 victory over Wauconda. The Sequoit defense opened the scoring when defensive tackle CHUCK POTTER blocked a Wauconda punt and defensive linebacker JEFF ZERSEN fell on the ball in the Wauconda end-zone for the touchdown. RICH GIORGI scored the extra points and Antioch led 8 - 0 after the first quarter.

In the second quarter, Antioch took possession on the Wauconda 27 yard line and in five plays scored their second touchdown of the game. The score came on a 19 yard pass from JEFF SCHMIDT to JEFF ZERSEN. The extra point try failed.

In the third quarter, the Sequoits marched 75 yards in 12 plays for the last score of the game. The touchdown came on a 30 yard pass from Jeff Schmidt to CARL BLUM-ENSCHIN.

As has been the case most of

TIMELY QUOTES

We are so preoccupied with higher education that it has become a national fetish. High schools measure their success by the number of their students who go to college. People view vocational education as a great thing for the neighbor's children.

Wauconda scored the first time. A punt by Jeff Wix put them on the 30 yard line of Antioch. Wix had punted from the 18 to the 45 where a fair catch infraction against Antioch placed the ball on the 30 yard line. Five running plays and a 6 yard pass netted a score for Wauconda. The conversion was good. Score Wauconda 8, Antioch 0.

The offense of Antioch generated some steam on the ball carrying of Bob Bailey and George Davis. The defense on the steady tackling of Tom Pocrnich and Brandon Abear gradually improved our field position. Late in the 2nd quarter Pocrnich intercepted one of his two passes to put us on the Wauconda 31 yard line. On the second play after the interception Bob Bailey ran 28 yards around the end for a TD. A two point conversion try failed. Score 8-6 Wauconda.

This ended the scoring until late in the 4th quarter when a punt moved the ball just ten yards for Antioch. The play gave Wauconda the ball on the Antioch 24 yard line. From

FRESHMEN LOSE 8 to 0

Antioch's freshmen "A" team lost its fourth game of the season last Saturday as the Wauconda Bulldogs eazed out an 8-0 victory. The game was completely dominated by Antioch and, except for a fumbled punt snap, the Bulldogs would have been completely stopped. But in the fourth quarter Antioch's punter lost control of the ball and Wauconda took over on the Antioch four yard line. The TD and PAT were quickly put on the scoreboard and Antioch had lost again. It was an unfortunate event since the Antioch defense had done an excellent job. The offense, however, was only fair and the Sequoits could not score. Larry Smith had a good day, gaining 96 yards in 14 carries but the other Antioch runners combined for a total of minus 52 yards.

Mandehr Heads For State Cross Country

Gary Mandehr will be representing Antioch at the State Cross Country Meet to be held in Peoria on Saturday. The race will be held at Detwiler Park at 11:00 A.M. Gary qualified for the meet with his 3rd place at the sectional meet held at Crystal Lake. Approximately 125 boys ran in the meet.

The only other Lake County representative is Dean Eckhardt from Deerfield.

Mandehr has an impressive list of credentials thus far this season. Among them: placing first in almost every regular meet this season, second place in the Janesville Midwest Invitational, first in the Lake County meet, second in the Libertyville Invitational, first in the Northwest Suburban Conference meet, first at the Palatine Fremd district meet and 3rd at sectional.

In addition, as a sophomore Gary placed second in the Class B state meet in Maryland. Last spring Gary qualified for the state track meet held in Champaign. He placed sixth in the mile run.

Good luck Gary!

was poor. The junior Sequoits hope to end the season on a winning note as they entertain Round Lake on Saturday.

12th MAN

Once again, we made mistakes that were costly and caused us to lose the ballgame against Wauconda. We fumbled three times, which is too much. We also gave them the ball once when nobody took the handoff.

Wauconda is not a very

tough football team and there is really no excuse for our losing to them. One thing I have to say is that the middle of our defensive line, Bob Huebner and Dave Donica, did a fine job. They put on a heavy pass rush all day and dumped their quarterback for losses three times. Another bright spot on defense was John Coia's interception which he ran back 28 yards.

We have one more game in which we could even up our record at 4 and 4 for the season. We better win because I will be awfully embarrassed, and I'm sure the rest of the guys will feel the same way if we lose to a team as weak as Round Lake.

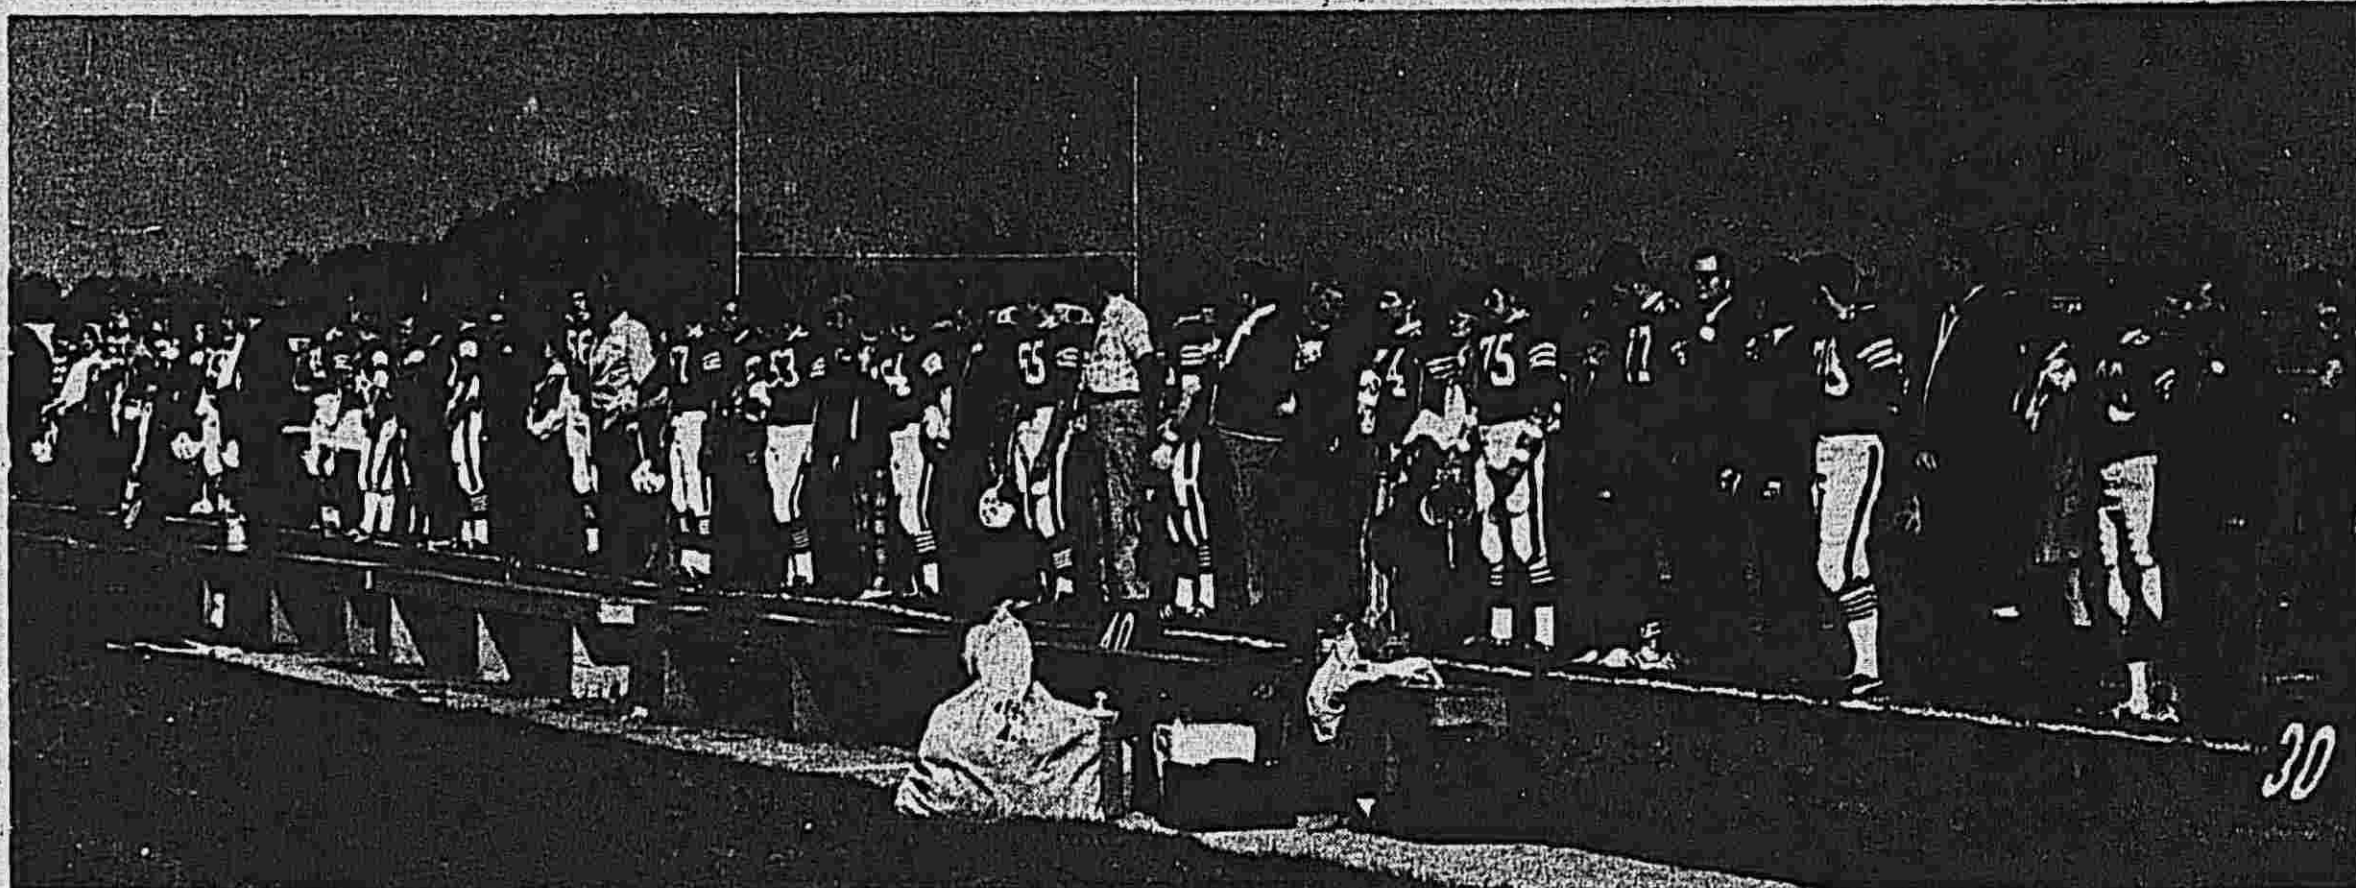

SOPHS LOSE

cont. from page 17

here the Sequoits Sophomores gave ground begrudgingly. After five plays Wauconda was still on the 22 yard line. A 22 yard pass to the end zone gave them a TD. They scored again a little later to give them the 22 to 6 win.

Tom Pocrnich played a fine defensive game intercepting 2 passes and notching 6 tackles with 4 assists from his safety position. Jim White recovered two fumbles. Another fumble recovery was added by Reckers.

It was a fine defensive effort and also a good offensive effort for the Sophomore Sequoits. Mistakes were costly. If they had been eliminated we would have won. That's always the big "if". Generally we hit good.

Players line up with their parents during pre-game Parents Day activities.

SEQUOITS DOWNED BY BULLDOGS

The Wauconda Bulldogs took advantage of the Antioch errors Saturday to steal a 14 to 7 victory and spoil the Sequoit's Parents Day.

The Sequoits played well enough to deserve a victory as they shut off a fine Wauconda passing game but the Bulldogs came up with the big play.

The first quarter was scoreless as neither team could sustain a long march.

It looked like the Sequoits would make the first serious challenge as they strung together several first downs. Ken Sterbenz and Greg Crutchfield rammed up the Wauconda middle behind the fine blocking of Bob Kennedy and Bob Huebner. But the magic failed as Greg lost the ball near mid-field and the Bulldogs recovered.

The Bulldogs turned to their fine halfback Scott Parat.

Parat turned right end, cut against the grain and outran the Sequoit secondary to score from 42 yards out. The kick failed and the Sequoits trailed by 6.

The half ended with Wauconda ahead by 6 although it appeared that the Sequoits had outplayed them.

The second half opened much as the first half had ended with both teams stalled.

The Sequoits made their own breaks as they stormed in to block a Bulldog punt at the Wauconda 36.

Greg Crutchfield continued his Saturday heroics as he showed great second effort to turn right end and tightrope the sideline to score from the 41. Jim Revell's kick split the uprights and the Sequoits smelled victory.

Seeing points on the

scoreboard raised the defense to a fury. They were caught by a draw up the middle but then stopped the Bulldogs cold.

Tom Phaeler and Jim Revell penetrated the Wauconda backfield to drop Parot and quarterback Tom Wilson for losses.

Wauconda stopped the Sequoits on their next possession and when Revell got off a squib punt had the ball deep in Antioch territory.

But the Sequoit defense still felt the adrenalin pumping as John Coia stepped in front of a Bulldog receiver to pick off a pass and returned it 28 yards to the Bulldog 49.

This set the stage for the games biggest play. After the hard running of Crutchfield carried the Sequoits to the Wauconda 33, the Antioch squad was victimized by a mental error.

As the ball was snapped, the officials detected an Antioch offside. The offense stopped in it's tracks, to await a ruling. The Bulldogs, however, ignored the flags and went for quarterback Fred Popp.

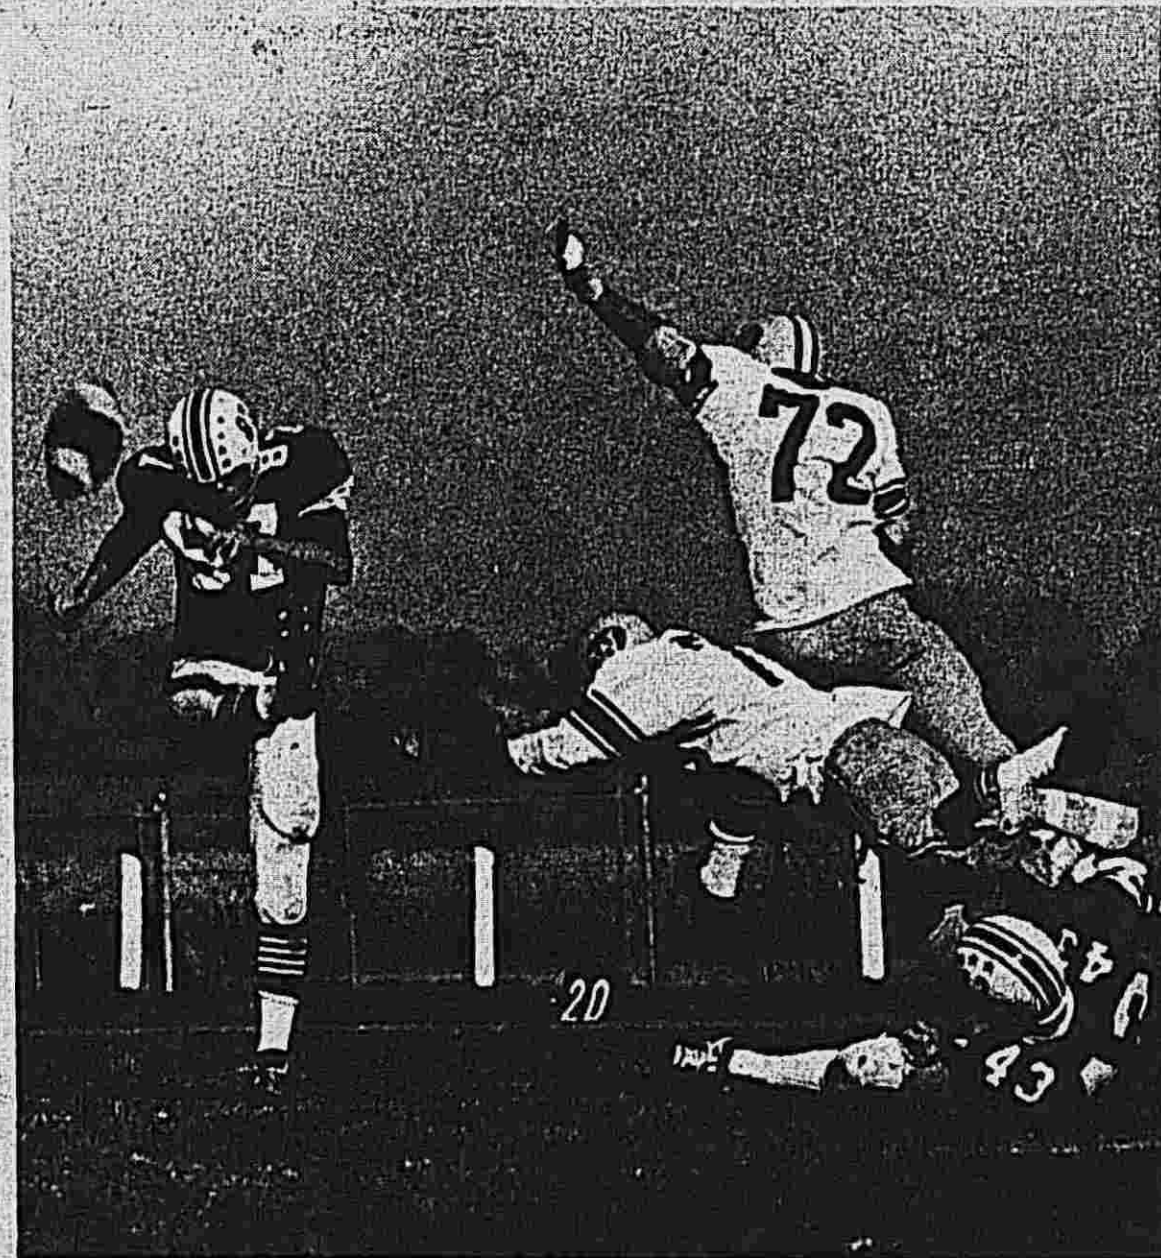

Thinking the play dead, Popp had the ball wrestled away from him. The Bulldog con artist set sail and got as far as the Sequoit 25.

Wauconda's Parat carried them close enough for Bob Fifield to put the winning margin on the scoreboard.

Following the 3 yard touchdown run, Lyle Hill ran for two points to widen the gap 14-7.

The Sequoits still had life and drove to the Wauconda 32. But the Bulldogs now had the momentum, stopped the Sequoits and held onto the ball to run the clock out.

The Sequoits close out their season at Round Lake next week.

Jim Revell (No. 87) has punt go off the side of his foot under heavy Wauconda pressure.
